

Name of the Educational Institution	LEPL “Batumi Shota Rustaveli State University” Address: №35 Ninoshvili Str. Batumi 6010 Tel/Fax: (0422) 27 17 87 E-mail: info@bsu.edu.ge
Title of the Educational Program	Transport
Qualification conferred	Bachelor of Engineering in Transport
Program Volume in Credits	240 credits: Major - 180 credits. Minor program or elective courses - 60 credits.
Aim of the Educational Program	To prepare Bachelors who will be able to meet the demands of passenger and load transportation without interruption, make efficient use of existing reserves and technical means, protect ecological norms.
Learning Outcomes	The graduate is able to: <ul style="list-style-type: none"> – analyze technical-exploitation criteria of transport means; – utilize in practice other compulsory subjects relevant to mechanics and transport engineering; – calculate/construct automobiles (transport machinery) knots, aggregates, mechanisms; determine geometrical parameters of conductivity; – apply mechanized systems of loading-unloading operations; – Organize cargo transportation by automobiles, passenger, sea and railway transport means; – Machine – human system ergonomic adaptation in cases of applying specific transport means; – apply computer technologies with the purpose of determination of machines energetic expenses, capacity and productivity maximums; – Is improve transportation organization system and protect environment in transportation activities
Assessment	Students are evaluated according to the following system: a) (A) – Excellent - 91 points and more; b) (B) – Very Good - 81-90 points; c) (C) – Good 71-80 points; d) (D)– Satisfactory 61-70 points; e) (E) – Sufficient 51-60 points; (FX) – could not pass 41-50 points. Student has the right to take the additional exam once more; (F) – Fail 0-40 points. Student has to take the course again.
Contact Person	Indiko Abashidze , Professor Tel.: 577 20 75 45 E-mail: indiko.abashidze@bsu.edu.ge
